Introduction

The Baldwin County Association of REALTORS® (Hereinafter referred to as the Association) shall maintain for the use of its Active Members and Non-Member licensees of the Association a Multiple Listing Service, which shall be subject to the Bylaws of the Baldwin County Association of REALTORS®, Multiple Listing Service and such Rules and Regulations as may be hereinafter adopted.

The Baldwin County Association of REALTORS®, Multiple Listing Service, Inc., (hereinafter referred to as MLS) is a means by which the authorized Participants make blanket unilateral offers of compensation to other Participants (acting either as subagents, buyer agents, or in any other agency or non-agency capacities defined by law); by which cooperation among Participants is enhanced; by which information is accumulated and disseminated to enable authorized Participants to prepare appraisals, analyses, and other valuations of real property for bona fide clients and customers; by which Participants engaging in real estate appraisal contribute to common databases; and is a facility for the orderly correlation and dissemination of listing information so Participants may better serve their clients and the public. Entitlement to compensation is determined by the cooperating broker's performance as a procuring cause of the sale (or Lease).

Listing Procedures

Section 1 Listing Procedures

Listings of real or personal property of the following types, which are listed subject to a real estate broker's license, and are located within the Baldwin County multiple listing service, and are taken by participants on Exclusive Right To Sell or Exclusive Agency Listing Form which includes the seller's written authorization to submit the agreement to the MLS shall be delivered to the multiple listing service within 3 business days after all necessary signatures of seller(s) have been obtained:

- a. Single Family homes for sale or exchange
- b. Vacant lots and acreage for sale or exchange
- c. Two-family, three-family and four-family residential buildings for sale or exchange
- d. Residential Single-Family, Multi-Family, or Land/Lot for Rent/Lease
- e. Deeded Boat Slips and Garages that do not require owning property within the same development and Fractional-Ownership properties.

Copies of listing agreements or property information sheets are not required to be submitted to the Service. However, the MLS department has the right, for any reason to request a copy. Upon request, a copy must be delivered to the MLS within 2 business days (excluding Saturday, Sunday and Federal, State, and Postal Holidays).

Note 1: The multiple listing service shall not require a participant to submit listings on a form other than the form the participant individually chooses to utilize provided the listing is of a type accepted by the service, although a property data form may be required as approved by the multiple listing service. However, the multiple listing service, through its legal counsel:

1. may reserve the right to refuse to accept a listing form which fails to adequately protect the interests of the public and the participants
2. assure that no listing form filed with the multiple listing service establishes, directly or indirectly, any contractual relationship between the multiple listing service and the client (buyer or seller)

The multiple listing service shall accept exclusive right-to-sell listing contracts and exclusive agency listing contracts and may accept other forms of agreement which make it possible for the listing broker to offer compensation to the other participants of the multiple listing service acting as subagents, buyer agents, or both. *(Amended 11/96)*

The listing agreement must include the seller's written authorization to submit the agreement to the multiple listing service. *(Amended 11/96)*

3. The different types of listing agreements include:
 - a. Exclusive Right-to-Sell
 - b. Exclusive Agency
 - c. Open
 - d. Net

The service may not accept net listings because they are deemed unethical and, in most states, illegal. Open listings are not accepted, except where required by law, because the inherent nature of an open listing is such as to usually not include the authority to cooperate and compensate other brokers and inherently provides a disincentive for cooperation. *(Amended 4/92)*

The service may accept team and co-listings provided (1) each subscriber is a member of the MLS in good standing and (2) each team member is in the same firm.

The service will not accept a listing where the same property is listed in another MLS under the same Participant but a different Subscriber.

The service will not allow the same property listed under multiple MLS numbers in the same class.

The MLS does not allow re-use of an MLS number for multiple properties listed with the service and each new listing agreement must have a new MLS number. The exclusive right-to-sell listing is the conventional form of listing submitted to the multiple listing service in that the seller authorizes the listing broker to cooperate with and to compensate other brokers. *(Amended 4/92)*

The exclusive agency listing also authorizes the listing broker, as exclusive agent, to offer cooperation and compensation on blanket unilateral bases, but also reserves to the seller the general right to sell the property on an unlimited or restrictive basis. Exclusive agency listings and exclusive right-to-sell listings with named prospects exempt should be clearly distinguished by a simple designation such as a code or symbol from exclusive right-to-sell listings with no named prospects exempt, since they can present special risks of procuring cause controversies and administrative problems not posed by exclusive right-to-sell listings with no named prospects exempt. Care should be exercised to ensure that different codes or symbols are used to denote exclusive agency and exclusive right-to-sell listings with prospect reservations. *(Amended 4/92)*

A multiple listing service does not regulate the type of listings its members may take. This does not mean that a multiple listing service must accept every type of listing. The Multiple Listing Service shall decline to accept open listings (except where required by law), Net listings, Auction properties, Commercial Lease, Commercial Sales, Timeshare, Mobile/Manufactured homes without real property, and it may limit its service to listings of certain kinds of property. But if it chooses to limit the kind of listings it will accept, it shall leave its Members free to accept such listings to be handled outside the Multiple Listing Service.

A multiple listing service may, as a matter of local option, accept exclusively listed property that is subject to auction. If such listings do not show a listed price, they may be included in a separate section of the MLS compilation of current listings. *(Adopted 11/92)*

MLS Violations: Failure to meet the required deadline as outlined in this section is categorized as a “Major” MLS compliance violation and subject to a \$100 minimum fine as outlined in Section 7 and 7.1. Re-use of a MLS listing number for multiple properties is categorized as a “Major” MLS compliance violation and subject to a \$100 minimum fine as outlined in Section 7 and 7.1. Failure to have a fully executed listing agreement before entering the listing into the MLS is considered a “Prohibited Activity” and subject to a \$250 minimum fine as outlined in Section 7 and 7.1.3.

Section 1.1 Types of Properties

Following are some of the types of properties that may be published through the service, including types described in the preceding paragraph that are required to be filed with the service and other types that may be filed with the service at the participant’s option provided, however, that any listing submitted is entered into within the scope of the participant’s licensure as a real estate broker: *(Amended 11/91)*

Single Family - Residential Detached: An individual, freestanding, detached dwelling unit, typically built on a lot larger than the structure itself, resulting in an area surrounding the house, known as a yard.

Single Family - Residential Attached: Any property with a common wall separating single family residences. The specific style of the structure includes Condominiums, Duplex, Triplex, and 4-10 unit properties.

Multi-Family: These multi-family housing terms simply define the number of units contained in a single multi-family building. A duplex consists of two units per building; a triplex, three units per building; and a quadraplex, four units per building.

Lots & Land: All unimproved property

Section 1.01 – Clear Cooperation Policy

Within one (1) business day of marketing a property to the public, the listing broker must submit the listing to the MLS for cooperation with other MLS participants. Public marketing includes, but is not limited to, flyers displayed in windows, yard signs, digital marketing on public facing websites, brokerage website displays (including IDX and VOW), digital communications marketing (email blasts), multi-brokerage listing sharing networks, and applications available to the general public. (Adopted 3/20) Refer to Section 7.1.4 for fine structure.

(a) Directions – The Directions field must contain driving directions that can locate the listed property starting with a specific landmark or intersection with directional or turn by turn instructions. If directions are to a model home or sales office, the Participant must specify this information in the directions field. The Directions field is for property directions only.

It shall be used to convey additional information related to the listed property or information related to the transaction of the listed property such as available financing, cash back at closing, upgrade incentives, upgrade allowances,

repair allowances, builder options, etc. Compensation related to offers of a bonus to cooperating broker must be documented in the Bonus field as mandated by Section 5 of MLS Rules. Comments related to brokerage business models or advertisements intended to recruit agents shall not be entered.

MLS Violations: Failure to follow procedures as outlined in this section is categorized as a “minor” MLS compliance violation and subject to \$50 minimum fine as outlined in Section 7 and 7.1

Section 1.2.1 Limited Service Listings

Listing agreements under which the listing broker will not provide one, or more, of the following services:

- a. arrange appointments for cooperating brokers to show listed property to potential purchasers but instead gives cooperating brokers authority to make such appointments directly with the seller(s)
- b. accept and present to the seller(s) offers to purchase procured by cooperating brokers but instead gives cooperating brokers authority to present offers to purchase directly to the seller(s)
- c. advise the seller(s) as to the merits of offers to purchase
- d. assist the seller(s) in developing, communicating, or presenting counter-offers
- e. participate on the seller’s(s’) behalf in negotiations leading to the sale of the listed property will be identified by the Limited Services Listing being checked under “Type of Listing” Feature field in MLS “for sale” compilations so potential cooperating brokers will be aware of the extent of the services the listing broker will provide to the seller(s), and any potential for cooperating brokers being asked to provide some or all of these services to listing brokers’ clients, prior to initiating efforts to show or sell the property.

Section 1.2.2 Equitable Interest Listings

Equitable interest listings entered into the system must be marked Equitable Interest = Yes and a disclaimer will be automatically placed in both the public and agent remarks that reads “This is an equitable interest listing where seller is selling only an option or assigning an interest in a contact and does not have legal title to the property.”

Section 1.3 – Exempt Listings

If the seller refuses to permit the listing to be disseminated by the service, the participant may then take the listing (office exclusive) and such listing shall be filed with the service but not disseminated to the participants. Filing of the listing should be accompanied by certification signed by the seller that he does not desire the listing to be disseminated by the service. (3/20)

MLS Participants must disseminate exempt listings within (1) one business day once the listing is publicly marketed. See Section 1.01, Clear Cooperation. See Section 7.1.4 for fine structure

Section 1.3.1 – Brokerage Exclusive Listings

Brokerage Exclusive listings are listings that are entered into the MLS and can only be viewed by the agents in the listing brokerage. Brokerage Exclusive listings must be entered within three (3) business days of the listing effective date. Listing agents must have written authorization from the seller to enter a Brokerage Exclusive listing into the MLS. The listing agent will be required to forward a copy of the listing agreement or a Broker Exclusive Addendum to the MLS Department within three (3) business days of the listing effective date. Days on market will accrue and the listing broker can convert the listing to an active MLS listing with

the written approval/request of the seller.

MLS Participants must disseminate exempt listings within one (1) business day once the listing is publicly marketed. See Section 1.01, Clear Cooperation. See Section 7.1.4 for fine structure.

Section 1.4 Change of Status of Listing

Any change in listed price or other change in the original listing agreement shall be made only when authorized in writing by the seller and shall be filed with the service within 3 business days (excluding Saturday, Sunday, and Federal, State, and Postal Holidays)) after the authorized change is received by the listing broker.

MLS Violations: Failure to meet the required deadline as outlined in this section is categorized as a “Major” MLS compliance violation and subject to a \$100 minimum fine as outlined in Section 7 and 7.1

Section 1.5 Withdrawal of Listing Prior to Expiration

Listings of property may be withdrawn from the multiple listing service by the listing broker before the expiration date of the listing agreement, provided notice is filed with the service, including a copy of the agreement between the seller and the listing broker which authorizes the withdrawal.

Sellers do not have the unilateral right to require an MLS to withdraw a listing without the listing broker’s concurrence. However, when a seller(s) can document that his exclusive relationship with the listing broker has been terminated, the multiple listing service may remove the listing at the request of the seller. (Adopted 11/96)

Listings that are canceled or withdrawn prior to the listing expiration date cannot be reentered with a new MLS number with the same brokerage, unless the listing has been in an off market status for over 30 days. Properties that are re-listed within 30 days by another brokerage office will obtain a new MLS number and automatically have the DOM reset to 0. Cumulative Days on Market (CDOM) will reset after 90 days off market regardless of the office.

MLS Violations: Failure to follow procedures as outlined in this section is categorized as a “minor” MLS compliance violation and subject to \$50 minimum fine as outlined in Section 7 and 7.1

Section 1.6 Contingencies Applicable to Listings

Any contingency or conditions of any term in a listing shall be specified and noticed to the participants. Contingent on Sale contingencies are required to be identified by ensuring the listing status is set to Active Under Contract and Contingent on Sale is marked under Contingency Features, and that the Contingent on Sale Addendum is uploaded, with names redacted, to the listing. If this contingency is removed during the under-contract period, then the property status must be changed to Pending status within 3 Business Days (excluding Saturday, Sunday, and Federal, State, and Postal Holidays days of the contingent on sale contingency being lifted.

MLS Violations: Failure to meet the required deadline as outlined in this section is categorized as a “Major” MLS compliance violation and subject to a \$100 minimum fine as outlined in Section 7 and 7.1

Section 1.7 Listing Price Specified

The full gross listing price stated in the listing contract will be included in the information published in the MLS compilation of current listings unless the property is subject to auction. (Amended 11/92)

Section 1.7.1 Value Range Marketing

If the seller requests to utilize value range marketing (VRM), wording describing the VRM range will be required to be placed in both the Public and Agent remarks fields and the listing agent is required to forward a copy of the listing agreement, with seller's request to utilize value range marketing, to compliance@baldwinREALTORS.com.

Section 1.8 Listing Multiple Unit Properties

All properties which are to be sold or which may be sold separately must be indicated individually in the listing and on the property data form. When part of a listed property has been sold, proper notification should be given to the multiple listing service.

Section 1.9 No Control of Commission Rates or Fees Charged by Participants

The multiple listing service shall not fix, control, recommend, suggest, or maintain commission rates or fees for services to be rendered by participants. Further, the multiple listing service shall not fix, control, recommend, suggest, or maintain the division of commissions or fees between cooperating participants or between participants and nonparticipants.

Section 1.10 Expiration of Listings

Listings filed with the multiple listing service will automatically be removed from the compilation of current listings on the expiration date specified in the agreement, unless prior to that date the MLS receives notice that the listing has been extended or renewed. *(Amended 11/01)*

If notice of renewal or extension is received after the listing has been removed from the compilation of current listings, the extension or renewal will be published in the same manner as a new listing. Extensions and renewals of listings must be signed by the seller(s) and filed with the service. *(Amended 11/01)*

Section 1.11 Termination Date on Listings

Listings filed with the service shall bear a definite and final termination date, as negotiated between the listing broker and the seller.

Section 1.12 Jurisdiction

Only listings of the designated types of property located within the service area of the MLS are required to be submitted to the service. Listings of property located outside the MLS's service area will not be accepted if submitted voluntarily by a participant but cannot be required by the service. *(Amended 11/17)*

The BCAR MLS service area is defined as the eight (8) counties outlined in CRS Data tax application as Baldwin, Mobile, Conecuh, Clarke, Washington, Monroe, Escambia (Alabama), and Escambia (Florida).

Section 1.13 Listings of Suspended Participants

When a participant of the service is suspended from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, association bylaws, MLS bylaws, MLS rules and regulations, or other membership obligations except failure to pay appropriate dues, fees, or charges), all listings currently filed with the MLS by the suspended participant shall, at the participant's option, be retained in the service until sold, cancelled or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the suspension became

effective. If a participant has been suspended from the association (except where MLS participation without association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees, or charges, an association MLS is not obligated to provide MLS services, including continued inclusion of the suspended participant's listings in the MLS compilation of current listing information. Prior to any removal of a suspended participant's listings from the MLS, the suspended participant should be advised, in writing, of the intended removal so that the suspended participant may advise his clients.

Section 1.14 Listings of Expelled Participants

When a participant of the service is expelled from the MLS for failing to abide by a membership duty (i.e., violation of the Code of Ethics, association bylaws, MLS bylaws, MLS rules and regulations, or other membership obligations except failure to pay appropriate dues, fees, or charges), all listings currently filed with the MLS by the expelled participant shall, at the participant's option, be retained in the service until sold, cancelled, or expired, and shall not be renewed or extended by the MLS beyond the termination date of the listing agreement in effect when the expulsion became effective. If a participant has been expelled from the association (except where MLS participation without association membership is permitted by law) or MLS (or both) for failure to pay appropriate dues, fees, or charges, an association MLS is not obligated to provide MLS services, including continued inclusion of the expelled participant's listings in the MLS compilation of current listing information. Prior to any removal of an expelled participant's listings from the MLS, the expelled participant should be advised, in writing, of the intended removal so that the expelled participant may advise his clients.

Section 1.15 Listings of Resigned Participants

When a participant of the service resigns from the MLS, the MLS is not obligated to provide services, including continued inclusion of the resigned participant's listings in the MLS compilation of current listing information. Prior to any removal of a resigned participant's listings from the MLS, the resigned participant should be advised, in writing, of the intended removal so that the resigned participant may advise his clients.

Section 1.16: Transfer of Listings Between Brokerages

The MLS will allow electronic transfers of listings within branch offices of a brokerage but will not allow a transfer of listings between brokerages. If an Agent transfers to a different Broker the Active Listing Broker may transfer to the listing to himself, another agent, or be cancelled.

Section 1.17 Photos/Virtual Tours

Multiple Listing Services may, as a matter of local discretion, require submission of a reasonable number of photographs or other graphic representations that accurately depict listed property except where sellers expressly direct that photographs of their property not appear in MLS compilations.

All photographs submitted for inclusion in the MLS shall not contain any text (watermarks, branding, and/or comments) overlaying the property photo except for New Construction as indicated below. Company/Broker/Agent logos shall comply always with the following rules:

- A) The Primary view photo of a Residential Single-Family, Multi-Family, Other-Fractional Ownership, and Residential Single-Family Lease listing must be a picture showing the structure of the property prominently. It may not be an interior photo or view from the property.

The cooperating broker (subagent or buyer agent) or his representative has the right to participate in the presentation to the seller or lessor of any offer he secures to purchase or lease. He does not have the right to be present at any discussion or evaluation of that offer by the seller or lessor and the listing broker. However, if the seller or lessor gives written instructions to the listing broker that the cooperating broker not be present when an offer the cooperating broker secured is presented, the cooperating broker has the right to a copy of the seller's or lessor's written instructions. None of the foregoing diminishes the listing broker's right to control the establishment of appointments for such presentations. *(Amended 4/92)*

No MLS participant, subscriber or licensee affiliated with any participant shall, through the name of their firm, their URLs, their e-mail addresses, their website addresses, or in any other way represent, suggest, or imply that the individual or firm is an MLS, or that they operate an MLS. Participants, subscribers and licensees affiliated with participants shall not represent, suggest, or imply that consumers or others have direct access to MLS databases, or that consumers or others are able to search MLS databases available only to participants and subscribers. This does not prohibit participants and subscribers from representing that any information they are authorized under MLS rules to provide to clients or customers is available on their websites or otherwise. *(Adopted 11/07)*

Section 4.5 Services Advertised as “Free”

MLS participants and subscribers must not represent that their brokerage services to a client or customer are free or available at no cost to their clients, unless the participant or subscriber will receive no financial compensation from any source for those services. *(Adopted 3/22)*

Division of Commissions

Section 5 Compensation Specified on Each Listing

The listing broker shall specify, on each listing filed with the multiple listing service, the compensation offered to other multiple listing service participants for their services in the sale of such listing. Such offers are unconditional except that entitlement to compensation is determined by the cooperating broker's performance as the procuring cause of the sale (or lease) or as otherwise provided for in this rule. The listing broker's obligation to compensate any cooperating broker as the procuring cause of the sale (or lease) may be excused if it is determined through arbitration that, through no fault of the listing broker and in the exercise of good faith and reasonable care, it was impossible or financially unfeasible for the listing broker to collect a commission pursuant to the listing agreement. In such instances, entitlement to cooperative compensation offered through MLS would be a question to be determined by an arbitration hearing panel based on all relevant facts and circumstances including, but not limited to, why it was impossible or financially unfeasible for the listing broker to collect some or all of the commission established in the listing agreement; at what point in the transaction did the listing broker know (or should have known) that some or all of the commission established in the listing agreement might not be paid; and how promptly had the listing broker communicated to cooperating brokers that the commission established in the listing agreement might not be paid. *(Amended 11/98)*

In filing a property with the multiple listing service of an association of REALTORS®, the participant of the service is making blanket unilateral offers of compensation to the other MLS participants, and shall therefore specify on each listing filed with the service, the compensation being offered to the other MLS participants. Specifying the compensation on each listing is necessary, because the cooperating broker has the right to know what his compensation shall be prior to his endeavor to sell. * *(Amended 11/96)*

Offers of compensation (e.g. bonuses) to the cooperating broker, in addition to the amount offered in the required compensation fields, must be documented in the Bonus field only, and are considered an unconditional compensation offering. Any compensation offerings entered into the Bonus field shall not reduce the amount entered into the required compensation fields. The Bonus information shall be expressed as a dollar amount or be able to equate bonus to cash equivalent.

*The compensation specified on listings filed with the multiple listing service shall appear in one of two forms. The essential and appropriate requirement by an association multiple listing service is that the information to be published shall clearly inform the participants as to the compensation they will receive in cooperative transactions, unless advised otherwise by the listing broker, in writing, in advance of submitting an offer to purchase. The compensation specified on listings published by the MLS shall be shown in one of the following forms:

1. by showing a percentage of the gross selling price
2. by showing a definite dollar amount *(Amended 5/10)*

Note: MLSs may also, as a matter of local discretion, allow participants to offer cooperative compensation as a percentage of the net sales price, with the net sales price defined as the gross sales price minus buyer upgrades (new construction) and seller concessions (as defined by the MLS unless otherwise defined by state law or regulation). *(Adopted 5/08)*

While MLSs are not required to authorize participants to offer cooperative compensation based on net sale prices, those that do permit such offers must define "seller concessions" for purposes other than new construction, unless that term is defined by applicable state law or regulation. The following definition of "seller concessions" is suggested but not required for adoption:

Points paid by seller on behalf of buyer, seller-paid buyer closing costs, cash or cash allowances not escrowed, down payment assistance, additions or alterations not considered deferred maintenance, and personal property not usual and customary to such transactions conveyed from seller to buyer having an agreed upon monetary value. *(Adopted 05/12)*

The listing broker retains the right to determine the amount of compensation offered to other participants (acting as subagents, buyer agents, or in other agency or nonagency capacities defined by law) which may be the same or different. *(Amended 11/96)*

This shall not preclude the listing broker from offering any MLS participant compensation other than the compensation indicated on any listing published by the MLS, provided the listing broker informs the other broker, in writing, in advance of submitting an offer to purchase, and provided that the modification in the specified compensation is not the result of any agreement among all or any other participants in the service. Any superseding offer of compensation must be expressed as either a percentage of the gross sales price or as a flat dollar amount. *(Amended 5/10)*

Note 1: The multiple listing service shall not have a rule requiring the listing broker to disclose the amount of total negotiated commission in his listing contract, and the association multiple listing service shall not publish the total negotiated commission on a listing which has been submitted to the MLS by a participant. The association multiple listing service shall not disclose in any way the total commission negotiated between the seller and the listing broker.

Note 2: The listing broker may, from time to time, adjust the compensation offered to other multiple listing service participants for their services with respect to any listing by advance published notice to the service so that all participants will be advised. *(Amended 4/92)*

Note 3: The multiple listing service shall make no rule on the division of commissions between participants and nonparticipants. This should remain solely the responsibility of the listing broker.

Note 4: Multiple listing services, at their discretion, may adopt rules and procedures enabling listing brokers to communicate to potential cooperating brokers that gross commissions established in listing contracts are subject to court approval, and that compensation payable to cooperating brokers may be reduced if the gross commission established in the listing contract is reduced by a court. In such instances, the fact that the gross commission is subject to court approval and either the potential reduction in compensation payable to cooperating brokers or the method by which the potential reduction in compensation will be calculated must be clearly communicated to potential cooperating brokers prior to the time they submit an offer that ultimately results in a successful transaction. *(Amended 5/10)*

Note 5: Nothing in these MLS rules precludes a listing participant and a cooperating participant, as a matter of mutual agreement, from modifying the cooperative compensation to be paid in the event of a successful transaction. *(Adopted 11/05)*

Note 6: Multiple listing services must give participants the ability to disclose to other participants any potential for a short sale. As used in these rules, short sales are defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale, and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies. Multiple listing services may, as a matter of local discretion, require participants to disclose potential short sales when participants know a transaction is a potential short sale. In any instance where a participant discloses a potential short sale, they may, as a matter of local discretion, also be permitted to communicate to other participants how any reduction in the gross commission established in the listing contract required by the lender as a condition of approving the sale will be apportioned between listing and cooperating participants. All confidential disclosures and confidential information related to short sales, if allowed by local rules, must be communicated through dedicated fields or confidential "remarks" available only to participants and subscribers. *(Amended 5/09)*

Section 5.0.1 Disclosing Potential Short Sales

Participants must disclose potential short sales (defined as a transaction where title transfers, where the sale price is insufficient to pay the total of all liens and costs of sale and where the seller does not bring sufficient liquid assets to the closing to cure all deficiencies) when reasonably known to the listing participants. *(Amended 5/09)*

MLS compliance requires the listing broker to ensure the following wording is included within the following listing areas:

- A) REMARKS: “Potential short sale. All offers subject to lender approval:
- B) AGENT REMARKS: “All offers subject to lender approval. Commission may be adjusted by lender and shared proportionally by listing and selling broker”
- C) Terms of Sale: Potential Short Sale checkbox must be checked

Under REMARKS you may change “Potential Short Sale” to “Approved Short Sale” only when the listing broker has documented approval from the lender and Seller on an acceptable list price.

If an offer is accepted by the Seller but still contingent upon bank approval the listing status must be changed to Pending

Where participants communicate to other participants how any reduction in the gross commission established in the listing contract required by the lender as a condition of approving the sale will be apportioned between the listing and cooperating participants, listing participants shall disclose to cooperating participants in writing the total reduction in the gross commission and the amount by which the compensation payable to the cooperating broker will be reduced within 48-hours of receipt of notification from the lender. *(Adopted 5/10)*

MLS Violations: Failure to follow procedures as outlined in this section is categorized as a “minor” MLS compliance violation and subject to a \$50 minimum fine as outlined in Section 7 and 7.1

Section 5.1 Participant as Principal

If a participant or any licensee (or licensed or certified appraiser) affiliated with a participant has any ownership interest in a property, the listing of which is to be disseminated through the multiple listing service, that person shall disclose that interest when the listing is filed with the multiple listing service and such information shall be disseminated to all multiple listing service participants.

Section 5.2 Participant as Purchaser

If a participant or any licensee (including licensed and certified appraisers) affiliated with a participant wishes to acquire an interest in property listed with another participant, such contemplated interest shall be disclosed, in writing, to the listing broker not later than the time an offer to purchase is submitted to the listing broker. *(Adopted 2/92)*

Section 5.3 Dual or Variable Rate Commission Arrangements

The existence of a dual or variable rate commission arrangement (i.e., one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker without assistance and a different commission if the sale/lease results through the efforts of a cooperating broker; or one in which the seller/landlord agrees to pay a specified commission if the property is sold/leased by the listing broker either with or without the assistance of a cooperating broker and a different commission if the sale/lease results through the efforts of a seller/landlord) shall be disclosed by the listing broker by a key, code, or symbol as required by the MLS. The listing broker shall, in response to inquiries from potential cooperating brokers, disclose the differential that would result in either a cooperative transaction or, alternatively, in a sale/lease that results

through the efforts of the seller/landlord. If the cooperating broker is a buyer/tenant representative, the buyer/tenant representative must disclose such information to their client before the client makes an offer to purchase or lease. *(Amended 5/01)*

Section 5.4 Display of Listing Broker's Offer of Compensation

Participant and subscribers who share the listing broker's offer of compensation for an active listing must display the following disclaimer or something similar.

The listing broker's offer of compensation is made only to participants of the MLS where the listing is filed.

MLS's must include the listing broker's offer of compensation for each active listing displayed on its consumer-facing website(s) and in MLS data feeds provided to participants and subscribers and must permit MLS participants or subscribers to share such information through IDX and VOW displays or through any other form or format provided to clients and consumers. The information about the offer of compensation must be accompanied by a disclaimer stating the offer is made only to participants of the MLS where the listings is filed. *(Adopted 3/22)*

Service Charges

Section 6.1 Service Fees and Charges

Fees for the operation of the MLS are set by the Board of Directors of the Service. The fees will be set annually to reflect the cost of the operation of the Service and notice will be given to all Participants:

(a). **Initial Participation Fee:** An applicant for participation in the Service shall pay an application fee as set by the Board of Directors.

Note: The initial participation fee shall approximate the cost of bringing the service to the participant. All new MLS participants and subscribers along with returning users will pay the Initial Participation fee if inactive for 90 days or more

(b). **Recurring Participation Fee:** The annual participation fee of each participant shall be an amount equal to \$519.00 times each salesperson and licensed or certified appraiser who has access to and use of the service, whether licensed as a broker, sales licensee, or licensed or certified appraiser who is employed by or affiliated as an independent contractor with such participant. Payment of such fees shall be made on or before the first day of the fiscal year of the multiple listing service. Fees shall be prorated on a monthly basis.

However, MLSs must provide participants the option of a no-cost waiver of MLS fees, dues, and charges for any licensee or licensed or certified appraiser who can demonstrate subscription to a different MLS or CIE where the principal broker participates. MLSs may, at their discretion, require that broker participants to sign a certification for nonuse of its MLS services by their licensees, which can include penalties and termination of the waiver if violated.

(Amended 8/18)

Note 1: A multiple listing service may elect to have such fees payable on a quarterly or even monthly basis. However, added administrative services are necessitated by increased frequency of such payments

Note 2: Multiple listing services that choose to include affiliated unlicensed administrative and clerical staff, personal assistants, and/or individuals seeking licensure or certification as real estate

appraisers among those eligible for access to and use of MLS information as subscribers may, at their discretion, charge recurring fees. (Amended 11/17)

(c). Notification of New, Inactive, or Transferring Agents: All Designated REALTORS®/Broker shall notify the BR MLS of any New, Inactive or Transferring agents to their licensed sales staff within 15 days of such changes. All changes must be in writing on a form provided by BR and signed by the Designated REALTOR®/Broker. Failure to make notification within the designated period may result in a \$75.00 fine.

Section 6.2 Subscriber Fee Waivers

MLS provides participants the option of a no-cost waiver of MLS fees, dues, and charges for any licensee or licensed or certified appraiser who can demonstrate subscription to a different MLS where the principal broker participates. MLS requires waiver recipients and their participants to sign a certification for nonuse of its MLS services, which can include penalties and termination of the waiver if violated.

Under Section 6.1 any per-subscriber fee is calculated based on each salesperson and licensed or certified appraiser affiliated with a participating office. The effect of fee waiver is that the number of subscribers in a participating office for purposes of any recurring per-subscriber fees paid by a participant under Section 6.1 shall be reduced by the number of licensees and certified appraisers who are subject to waiver under this Section 6.2. For purposes of this Section 6.2 and all rule provision referring to it, "licensee" refers to non-principal salesperson and licensed and certified appraisers. Section 6.2.1 sets out the condition for subscriber fee waivers, Section 6.2.2 the process for obtaining and maintaining waivers, Section 6.2.3, circumstances under which waiver is revoked and consequences of revocation, and Section 6.2.4, the consequences of repeated violations of these policies.

Section 6.2.1 Conditions for Waiver

Fee waivers are available for non-principal broker and non-principal appraiser licensee(s) in offices participating in MLS, provided the participant and any fee-waived licensee(s) meet all the following requirements:

1. Any fee-waived licensee must be a subscriber in another multiple listing service that will certify this information to the MLS on the frequency established by this MLS.
2. During any period for which a licensee's fees are waived, the licensee shall refrain from using any of the following services of this MLS:
 - a. Using the Baldwin REALTORS® systems, databases, lockboxes, etc. This does not include accessing listing information of the licensee's own broker or of other brokers through the participant's IDX site or elsewhere. It does include accessing such information on the participant's VOW (for customer's personal use).
 - b. Being identified as a listing agent on an active or pending property listing in the Baldwin REALTORS® MLS.
 - c. Use of any data feed from Baldwin REALTORS® MLS (except one that includes listings only of the licensee's broker).
 - d. Using the Baldwin REALTORS® data on an IDX or VOW website identified as the fee-waived subscriber's site or page.
 - e. Using Baldwin REALTORS® MLS data in an automated valuation product or tool in any product or service identified as coming from the fee-waiver subscriber.

Section 6.2.2 Process for Obtaining and Maintaining Waivers

The participant must at all times provide to Baldwin REALTORS® MLS up-to-date information on all licensees, whether they are subscribers or fee-waived licensees, in each participating office. The participant must identify which licensees are subject to fee waivers and for each waived licensee the other MLS in which they are a subscriber

on the waiver certification form. In order to obtain a waiver for a licensee in the participant's office, the participant must execute the Baldwin REALTORS® MLS's form for listing fee-waived licensees and the certification on it. Each fee-waived licensee must also execute a certification. The participant must procure from another MLS, a certification (i.e. letter of good standing) that each fee-waived subscriber is an active subscriber in that MLS.

If the participant has several licensees that qualify for waiving Baldwin REALTORS MLS, the participant is allowed to submit a list of licensees requesting waivers and sign the certification on behalf of the licensees contained in the list.

Section 6.2.3 Revocation of Waiver

The fee waiver for a licensee may be revoked under various circumstances, and the consequences of the revocation vary depending on its circumstances, as provided in this section.

1. The participant or fee-waived licensee may revoke the waiver at any time upon notice to the Baldwin REALTORS® MLS. In that case, the fee-waived licensee immediately becomes a subscriber and any fees due to Baldwin REALTORS® MLS under its normal fee schedule for the current period for the subscriber (including pro-rated fees for any partial service period and any application fees if none have previously been paid for the subscriber) shall immediately become due and payable. In the event a Section 6.2.1 fee-waived licensee appear as a listing agent on an active or pending listing in the Baldwin REALTORS® MLS, the participant and fee-waived licensee shall be deemed to have revoked the waiver under this subsection (1).
2. If the Baldwin REALTORS® MLS determines that the fee-waived licensee has violated Section 6.2.1(2) during a fee-waiver period, Baldwin REALTORS® MLS may terminate the fee waiver upon notice to the participant and subscriber. In this case, the consequences of subsection (1) apply, and in addition to them, Baldwin REALTORS® MLS may recover from participant all the fees MLS would have collected had the fee-waived licensee been a subscriber during the entire period of the waiver and a fine of \$1,000. After a period of one year from the date of revocation, the participant and subscriber can re-certify the subscriber to be a fee-waived licensee.

Section 6.2.4 Consequences of Repeated Violations

A pattern of repeated violations of this policy exists when a participant allows any combination of three or more violations of Section 6.2.1(2), whether the participant is aware of the violations and whether committed by one fee-waived licensee or more; or when a subscriber commits three or more violations of Section 6.2.1(2). In the event that a participant or subscriber exhibits a pattern of repeated violations of Section 6.2.1(2), Baldwin REALTORS® MLS may suspend all fee waivers for the participant or subscriber (or both) for a period of up to three years. If, after such a period of suspension, a participant or subscriber again exhibits a pattern of repeated violations, Baldwin REALTORS® MLS may permanently terminate fee waivers for the participant or subscriber (or both). In the event a participant or subscriber subject to suspension or termination of waivers moves to a new office as a participant, that office shall be ineligible for waivers during the pendency of its participant's suspension or termination. In the event a participant or subscriber subject to suspension or termination of waivers moves to a new office as a non-principal licensee, that non-principal licensee shall be ineligible for waivers during the pendency of their suspension or termination.

Section 6.3 Photographer Access

Photographers may obtain limited access to the Baldwin REALTORS® Multiple Listing Service to upload photos for active members of the BR MLS. Photographers must be an active affiliate member with the Baldwin REALTORS® Association to obtain access. Only photographers who have a signed Photographer Access Form on file with an active broker/agent will have access to the service. MLS users are prohibited from giving their credentials to a photographer to login as the photographer will be utilizing their own credentials to the service. There is no charge for photographer access. Photographers who utilize the service for any other reason than uploading listing photos or fail to follow the BR MLS Rules & Regulations will have access terminated immediately.

Compliance with Rules

Section 7 Compliance with Rules—Authority to Impose Discipline

By becoming and remaining a participant or subscriber in this MLS, each participant and subscriber agrees to be subject to the rules and regulations and any other MLS governance provision. The MLS may, through the administrative and hearing procedures established in these rules, impose discipline for violations of the rules and other MLS governance provisions. Discipline that may be imposed may only consist of one or more of the following:

- a. letter of warning
- b. letter of reprimand
- c. attendance at MLS orientation or other appropriate courses or seminars which the participant or subscriber can reasonably attend taking into consideration cost, location, and duration
- d. appropriate, reasonable fine not to exceed \$15,000
- e. suspension of MLS rights, privileges, and services for not less than thirty (30) days nor more than one (1) year
- f. termination of MLS rights, privileges, and services with no right to reapply for a specified period not to exceed three (3) years. *(Revised 11/14)*
- g. All licensed REALTORS® must subscribe to BR within fifteen days of the effective date of licensure with a subscribing Broker. Failure to do so will result in a fine of \$50.00.
- h. Subscriber Fees (billed and due annually) Subscriber fees shall be determined by the Board of Directors each year based on the cost of providing MLS Service, are due and payable annually and will be billed to each subscriber forty-five (45) calendar days in advance. Any subscriber who has not paid by the Bill Due Date will be denied access until payment is received. In addition to any annual fees due, late fees are to be assessed at \$50.00 per subscriber if not paid by close of business on June 15th. Reinstatement Fees are \$75.00 for each subscriber after 31 days late and each office will be assessed \$200.00 per subscriber in each office who have not paid or the office has not provided the Status/Change Form for termination of that member. If the office does not pay the fine within 30 days of notification, all services for the office will be suspended.

Note: A participant (or user/subscriber, where appropriate) can be placed on probation. Probation is not a form of discipline. When a participant (or user/subscriber, where appropriate) is placed on probation the discipline is held in abeyance for a stipulated period not longer than one (1) year. Any subsequent finding of a violation of the MLS rules during the probationary period may, at the discretion of the Board of Directors, result in the imposition of the suspended discipline. Absent any subsequent findings of a violation during the probationary period, both the probationary status and the suspended discipline are considered fulfilled, and the individual's record will reflect the fulfillment. The fact that one or more forms of discipline are held in abeyance during the probationary period does not bar imposition of other forms of discipline which will not be held in abeyance. *(Revised 05/14)*

Within ten (10) days from receipt, the participant must either: 1) remove the allegedly unauthorized content, or 2) provide proof to the committee (Board of Directors) that the use is authorized. Any proof submitted will be considered by the Committee (Board of Directors), and a decision of whether it establishes authority to use the listing content will be made within thirty (30) days.

If the Committee (Board of Directors) determines that the use of the content was unauthorized, the

Committee (Board of Directors) may issue a sanction pursuant to Section 7 of the MLS rules, including a request to remove and/or stop the use of the unauthorized content within ten (10) days after transmittal of the decision. If the unauthorized use stems from a violation of the MLS rules, that too will be considered at the time of establishing an appropriate sanction.

If after ten (10) days following transmittal of the Committee's (Board of Director's) determination the alleged violation remains uncured (i.e. the content is not removed or the rules violation remains uncured), then the complaining party may seek action through a court of law.

*The term MLS compilation, as used in Sections 11 and 12 herein, shall be construed to include any format in which property listing data is collected and disseminated to the participants, including but not limited to bound book, loose-leaf binder, computer database, card file, or any other format whatsoever.

Note: The Digital Millennium Copyright Act (DMCA) is a federal copyright law that enhances the penalties for copyright infringement occurring on the Internet. The law provides exemptions or “safe harbors” from copyright infringement liability for online service providers (OSP) that satisfy certain criteria. Courts construe the definition of “online service provider” broadly, which would likely include MLSs as well as participants and subscribers hosting an IDX display.

Note: One safe harbor limits the liability of an OSP that hosts a system, network or website on which Internet users may post user-generated content. If an OSP complies with the provisions of this DMCA safe harbor, it cannot be liable for copyright infringement if a user posts infringing material on its website. This protects an OSP from incurring significant sums in copyright infringement damages, as statutory damages are as high as \$150,000 per work. For this reason, it is highly recommended that MLSs, participants and subscribers comply with the DMCA safe harbor provisions discussed herein.

To qualify for this safe harbor, the OSP must:

1. Designate on its website and register with the Copyright Office an agent to receive takedown requests. The agent could be the MLS, participant, subscriber, or other individual or entity.
2. Develop and post a DMCA-compliant website policy that addresses repeat offenders.
3. Comply with the DMCA takedown procedure. If a copyright owner submits a takedown notice to the OSP, which alleges infringement of its copyright at a certain location, then the OSP must promptly remove allegedly infringing material. The alleged infringer may submit a counter-notice that the OSP must share with the copyright owner. If the copyright owner fails to initiate a copyright lawsuit within ten (10) days, then the OSP may restore the removed material.
4. Have no actual knowledge of any complained-of infringing activity.
5. Not be aware of facts or circumstances from which complained-of infringing activity is apparent.
6. Not receive a financial benefit attributable to complained-of infringing activity when the OSP is capable of controlling such activity.

Full compliance with these DMCA safe harbor criteria will mitigate an OSP's copyright infringement liability. For more information see 17 U.S.C. §512. *(Adopted 11/1*

Section 11.1

All right, title, and interest in each copy of every multiple listing compilation created and copyrighted by the Baldwin County Association of REALTORS® and in the copyrights therein, shall at all times remain vested in the Baldwin County Association of REALTORS®.

Section 11.2 Display

Each participant shall be entitled to lease from the Baldwin County Association of REALTORS® a number of copies of each MLS compilation sufficient to provide the participant and each person affiliated as a licensee (including licensed or certified appraisers) with such participant with one copy of such compilation. The participant shall pay for each such copy the rental fee set by the association.*

*This section should not be construed to require the participant to lease a copy of the MLS compilation for any licensee (or licensed or certified appraiser) affiliated with the participant who is engaged exclusively in a specialty of the real estate business other than listing, selling, or appraising the types of properties which are required to be filed with the MLS and who does not, at any time, have access to or use of the MLS information or MLS facility of the association.

Participants shall acquire by such lease only the right to use the MLS compilation in accordance with these rules.

Use of Copyrighted MLS Compilation

Section 12 Distribution

Participants shall, at all times, maintain control over and responsibility for each copy of any MLS compilation leased to them by the association of REALTORS®, and shall not distribute any such copies to persons other than subscribers who are affiliated with such participant as licensees, those individuals who are licensed or certified by an appropriate state regulatory agency to engage in the appraisal of real property, and any other subscribers as authorized pursuant to the governing documents of the MLS. Use of information developed by or published by an association multiple listing service is strictly limited to the activities authorized under a participant's licensure(s) or certification, and unauthorized uses are prohibited. Further, none of the foregoing is intended to convey participation or membership or any right of access to information developed or published by an association multiple listing service where access to such information is prohibited by law. *(Amended 4/92)*

Section 12.1 Display

Participants and those persons affiliated as licensees with such participants shall be permitted to display the MLS compilation to prospective purchasers only in conjunction with their ordinary business activities of attempting to locate ready, willing, and able buyers for the properties described in said MLS compilation.

Section 12.2 Reproduction

Participants or their affiliated licensees shall not reproduce any MLS compilation or any portion thereof, except in the following limited circumstances:

Participants or their affiliated licensees may reproduce from the MLS compilation and distribute to prospective purchasers a reasonable* number of single copies of property listing data contained in the MLS compilation which relate to any properties in which the prospective purchasers are or may, in the judgment of the participants or their affiliated licensees, be interested.

Nothing contained herein shall be construed to preclude any participant from utilizing, displaying, distributing, or reproducing property listing sheets or other compilations of data pertaining exclusively to properties currently listed for sale with the participant.

Any MLS information, whether provided in written or printed form, provided electronically, or provided in any other form or format, is provided for the exclusive use of the participant and those licensees affiliated with the participant who are authorized to have access to such information. Such information may not be transmitted, retransmitted, or provided in any manner to any unauthorized individual, office, or firm.

None of the foregoing shall be construed to prevent any individual legitimately in possession of current listing information, sold information, comparables, or statistical information from utilizing such information to support valuations on particular properties for clients and customers. Any MLS content in data feeds available to participants for real estate brokerage purposes must also be available to participants for valuation purposes, including automated valuations. MLSs must either permit use of existing data feeds, or create a separate data feed, to satisfy this requirement. MLSs may require execution of a third-party license agreement where deemed appropriate by the MLS. MLSs may require participants who will use such data feeds to pay the reasonably estimated costs incurred by the MLS in adding or enhancing its downloading capacity for this purpose. Information deemed confidential may not be used as supporting documentation. Any other use of such information is unauthorized and prohibited by these rules and regulations. *(Amended 05/14)*

Use of MLS Information

Section 13 Limitations on Use of MLS Information

Information from MLS compilations of current listing information, from statistical reports, and from any sold or comparable report of the association or MLS may be used by MLS participants as the basis for aggregated demonstrations of market share or comparisons of firms in public mass-media advertising or in other public representations. This authority does not convey the right to include in any such advertising or representation information about specific properties which are listed with other participants, or which were sold by other participants (as either listing or cooperating broker).

Any print or non-print form of advertising or other public representations based in whole or in part on information supplied by the association or its MLS must clearly disclose the source of the information and the period of time over which such claims are based and must include the following, or substantially similar, notice:

Based on information from the Baldwin County Association of REALTORS® the period January 1 through December 31. *(Amended 11/97)*

Standard 16.3

MLS participants acting as subagents or as buyer/tenant representatives or brokers shall not attempt to extend a listing broker's offer of cooperation and/or compensation to other brokers without the consent of the listing broker. *(Amended 1/04)*

Standard 16.4

MLS participants shall not solicit a listing currently listed exclusively with another broker. However, if the listing broker, when asked by the MLS participant, refuses to disclose the expiration date and nature of such listing (i.e., an exclusive right-to-sell, an exclusive agency, open listing, or other form of contractual agreement between the listing broker and the client) the MLS participant may contact the owner to secure such information and may discuss the terms upon which the MLS participant might take a future listing or, alternatively, may take a listing to become effective upon expiration of any existing exclusive listing.

Standard 16.5

MLS participants shall not solicit buyer/tenant agreements from buyers/tenants who are subject to exclusive buyer/tenant agreements. However, if asked by an MLS participant, the broker refuses to disclose the expiration date of the exclusive buyer/tenant agreement, the MLS participant may contact the buyer/tenant to secure such information and may discuss the terms upon which the MLS participant might enter into a future buyer/tenant agreement or, alternatively, may enter into a buyer/tenant agreement to become effective upon the expiration of any existing exclusive buyer/tenant agreement. *(Amended 1/98)*

Standard 16.6

Standard 16.7

The fact that an agreement has been entered into with an MLS participant shall not preclude or inhibit any other MLS participant from entering into a similar agreement after the expiration of the prior agreement. *(Amended 1/98)*

Standard 16.8

The fact that a prospect has retained an MLS participant as an exclusive representative or exclusive broker in one or more past transactions does not preclude other MLS participants from seeking such prospect's future business. *(Amended 1/04)*

Standard 16.9

MLS participants are free to enter into contractual relationships or to negotiate with sellers/landlords, buyers/tenants or others who are not subject to an exclusive agreement but shall not knowingly obligate them to pay more than one commission except with their informed consent. *(Amended 1/98)*

Standard 16.10

When MLS participants are contacted by the client of another MLS participant regarding the creation of an exclusive relationship to provide the same type of service, and MLS participants have not directly or indirectly initiated such discussions, they may discuss the terms upon which they might enter into a future agreement or, alternatively, may enter into an agreement which becomes effective upon expiration of any existing exclusive agreement. *(Amended 1/98)*

Standard 16.11

In cooperative transactions, MLS participants shall compensate cooperating MLS participants (principal brokers) and shall not compensate nor offer to compensate, directly or indirectly, any of the sales licensees employed by or affiliated with other MLS participants without the prior express knowledge and consent of the cooperating broker.

Standard 16.12

MLS participants are not precluded from making general announcements to prospects describing their services and the terms of their availability even though some recipients may have entered into agency agreements or other exclusive relationships with another MLS participant. A general telephone canvass, general mailing, or distribution addressed to all prospects in a given geographical area or in a given profession, business, club, or organization, or other classification or group is deemed general for purposes of this rule. *(Amended 1/04)*

The following types of solicitations are prohibited:

Telephone or personal solicitations of property owners who have been identified by a real estate sign, multiple listing compilation, or other information service as having exclusively listed their property with another MLS participant; and mail or other forms of written solicitations of prospects whose properties are exclusively listed with another MLS participant when such solicitations are not part of a general mailing but are directed specifically to property owners identified through compilations of current listings, for sale or for rent signs, or other sources of information intended to foster cooperation with MLS participants. *(Amended 1/04)*

Standard 16.13

MLS participants, prior to entering into a representation agreement, have an affirmative obligation to make reasonable efforts to determine whether the prospect is subject to a current, valid exclusive agreement to provide the same type of real estate service. *(Amended 1/04)*

Standard 16.14

MLS participants, acting as buyers or tenant's representatives or brokers, shall disclose that relationship to the seller/landlord's representative or broker at first contact and shall provide written confirmation of that disclosure to the seller/landlord's representative or broker not later than execution of a purchase agreement or lease. *(Amended 1/04)*

Standard 16.15

Standard 16.17

MLS participants are not precluded from contacting the client of another broker for the purpose of offering to provide, or entering into a contract to provide, a different type of real estate service unrelated to the type of service currently being provided (e.g., property management as opposed to brokerage) or from offering the same type of service for property not subject to other brokers' exclusive agreements. However, information received through a multiple listing service or any other offer of cooperation may not be used to target clients of other MLS participants to whom such offers to provide services may be made. *(Amended 1/04)*

Standard 16.19

All dealings concerning property exclusively listed or with buyer/tenants who are subject to an exclusive agreement shall be carried on with the client's representative or broker, and not with the client, except with the consent of the client's representative or broker or except where such dealings are initiated by the client. *(Amended 1/04)*

Before providing substantive services (such as writing a purchase offer or presenting a CMA) to prospects, MLS participants shall ask prospects whether they are a party to any exclusive representation agreement. MLS participants shall not knowingly provide substantive services concerning a prospective transaction to prospects who are parties to exclusive representation agreements, except with the consent of the prospects' exclusive representatives or at the direction of prospects. *(Adopted 1/03, Amended 1/04)*

Standard 16.20

Participants, users, and subscribers, prior to or after their relationship with their current firm is terminated, shall not induce clients of their current firm to cancel exclusive contractual agreements between the client and that firm. This does not preclude participants from establishing agreements with their associated licensees governing assignability of exclusive agreements. *(Adopted 1/98, Amended 1/10)*

Standard 16.21

These rules are not intended to prohibit ethical, albeit aggressive or innovative business practices, and do not prohibit disagreements with other MLS participants involving commission, fees, compensation, or other forms of payment or expenses.

Standard 16.22

MLS participants shall not undertake to provide specialized professional services concerning a type of property or service that is outside their field of competence unless they engage the assistance of one who is competent on such types of property or service, or unless the facts are fully disclosed to the client. Any persons engaged to provide such assistance shall be so identified to the client and their contribution to the assignment should be set forth. *(Adopted 11/09)*

3-hour MLS Orientation program, MLS services will be reactivated.

Participants and subscribers may be required, at the discretion of the MLS, to complete additional training of not more than four (4) classroom hours in any twelve (12) month period when deemed necessary by the MLS to familiarize participants and subscribers with system changes or enhancements and/or changes to MLS rules or policies. Participants and subscribers must be given the opportunity to complete any mandated additional training remotely. *(Adopted 11/09)*

Internet Data Exchange (IDX)

Section 18 IDX Defined

IDX affords MLS participants the ability to authorize limited electronic display of their listings by other participants via the following authorized mediums under the participant's control: websites, mobile apps, and audio devices. As used throughout these rules, "display" includes "delivery" of such listing. *(Amended 5/17)*

Section 18.1 Authorization

Participants' consent for display of their listings by other participants pursuant to these rules and regulations is presumed unless a participant affirmatively notifies the MLS that the participant refuses to permit display (either on a blanket or on a listing-by-listing basis). If a participant refuses on a blanket basis to permit the display of that participant's listings, that participant may not download, frame or display the aggregated MLS data of other participants. Even where participants have given blanket authority for other participants to display their listings on IDX sites, such consent may be cancelled on a listing-by-listing basis where the seller has prohibited all Internet display. *(Amended 05/12)*

Section 18.2 Participation

Participation in IDX is available to all MLS participants engaged in real estate brokerage who consent to display of their listings by other participants. *(Amended 11/09)*

Section 18.2.1

Participants must notify the MLS of their intention to display IDX information and must give the MLS direct access for purposes of monitoring/ensuring compliance with applicable rules and policies. *(Amended 05/12)*

Section 18.2.2

MLS participants may not use IDX-provided listings for any purpose other than display as provided for in these rules. This does not require participants to prevent indexing of IDX listings by recognized search engines. *(Amended 05/12)*

Section 18.2.3

Listings, including property addresses, can be included in IDX displays except where a seller has directed their listing broker to withhold their listing or the listing's property address from all display on the Internet (including, but not limited to, publicly-accessible websites or VOWs) or other electronic forms of display or distribution. *(Amended 05/17)*

Section 18.2.4

Participants may select the IDX listings they choose to display based only on objective criteria including, but not limited to, factors such as geography or location ("uptown," "downtown," etc.), list price, or type of property (e.g., condominiums, cooperatives, single-family detached, multi-family), or type of listing (e.g., exclusive right-to-sell or exclusive agency). Selection of IDX listings to be displayed must be independently made by each participant. *(Amended 03/22)*

Section 18.2.5

Participants must refresh all MLS downloads and IDX displays automatically fed by those downloads at least once every twelve (12) hours. *(Amended 11/14)*

Section 18.2.6

Except as provided in the IDX policy and these rules, an IDX site or a participant or user operating an IDX site or displaying IDX information as otherwise permitted may not distribute, provide, or make any portion of the MLS database available to any person or entity. *(Amended 05/12)*

Section 18.2.7

Any IDX display controlled by a participant must clearly identify the name of the brokerage firm under which they operate in a readily visible color and typeface. For purposes of the IDX policy and these rules, “control” means the ability to add, delete, modify and update information as required by the IDX policy and MLS rules. *(Amended 05/12)*

Section 18.2.8

Any IDX display controlled by a participant or subscriber that

- a. allows third-parties to write comments or reviews about particular listings or displays a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
- b. displays an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing,

either or both of those features shall be disabled or discontinued for the seller’s listings at the request of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all displays controlled by participants. Except for the foregoing and subject to Section 18.2.9, a participant’s IDX display may communicate the participant’s professional judgment concerning any listing. Nothing shall prevent an IDX display from notifying its customers that a particular feature has been disabled at the request of the seller. *(Adopted 05/12)*

Section 18.2.9

Participants shall maintain a means (e.g., e-mail address, telephone number) to receive comments about the accuracy of any data or information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property. Participants shall correct or remove any false data or information relating to a specific property upon receipt of a communication from the listing broker or listing agent for the property explaining why the data or information is false. However, participants shall not be obligated to remove or correct any data or information that simply reflects good faith opinion, advice, or professional judgment. *(Amended 05/12)*

Section 18.2.10

An MLS participant (or where permitted locally, an MLS subscriber) may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS participant (or MLS subscriber) holds participatory rights in those MLSs. As used in this policy, “co-mingling” means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that participants may display listings from each IDX feed on a single webpage or display. *(Adopted 11/14)*

Section 18.2.11

Participants shall not modify or manipulate information relating to other participants listings. MLS participants may augment their IDX display of MLS data with applicable property information from other sources to appear on the same webpage or display, clearly separated by the data supplied by the MLS. The source(s) of the information must be clearly identified in the immediate proximity to such data. This requirement does not restrict the format of MLS data display or display of fewer than all of the available listings or fewer authorized fields. (Adopted 05/15)

Section 18.2.12

An MLS participant's IDX display must identify the listing firm, and the email or phone number provided by the listing participant in a reasonably prominent location and in a readily visible color and typeface not smaller than the median used in the display of listing data. * (Amended 03/22)

Section 18.3 Display

Display of listing information pursuant to IDX is subject to the following rules:

Section 18.3.1

Listings displayed pursuant to IDX shall contain only those fields of data designated by the MLS. Display of all other fields (as determined by the MLS) is prohibited. Confidential fields intended only for other MLS participants and users (e.g. showing instructions, and property security information,) may not be displayed. (Amended 03/22)

Section 18.3.1.1

The type of listing agreement (e.g., exclusive right to sell, exclusive agency, etc.) may not be displayed. (Amended 05/12)

Deleted November 2006.

Section 18.3.7

All listings displayed pursuant to IDX shall show the MLS as the source of the information. Displays of minimal information (e.g., "thumbnails", text messages, "tweets", etc., of two hundred [200] characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. (Amended 05/12)

Section 18.3.8

Participants (and their affiliated licensees, if applicable) shall indicate on their websites that IDX information is provided exclusively for consumers' personal, non-commercial use, that it may not be used for any purpose other than to identify prospective properties consumers may be interested in purchasing, and that the data is deemed reliable but is not guaranteed accurate by the MLS. The MLS may, at its discretion, require use of other disclaimers as necessary to protect participants and/or the MLS from liability. Displays of minimal information (e.g., "thumbnails", text messages, "tweets", etc., of two hundred [200] characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. *(Amended 05/12)*

Section 18.3.9

The data consumers can retrieve or download in response to an inquiry shall be determined by the MLS but in no instance, shall be limited to fewer than five hundred (500) listings or fifty percent (50%) of the listings available for IDX display, whichever is fewer. *(Amended 11/17)*

Section 18.3.10

The right to display other participants' listings pursuant to IDX shall be limited to a participant's office(s) holding participatory rights in this MLS.

Section 18.3.11

Listings obtained through IDX feeds from Realtor® Association MLSs where the MLS participant holds participatory rights must be displayed separately from listings obtained from other sources. Listings obtained from other sources (e.g., from other MLSs, from non-participating brokers, etc.) must display the source from which each such listing was obtained. Displays of minimal information (e.g., "thumbnails", text messages, "tweets", etc., of two hundred [200] characters or less) are exempt from this requirement but only when linked directly to a display that includes all required disclosures. *(Amended 11/14)*

Note: An MLS participant (or where permitted locally, an MLS subscriber) may co-mingle the listings of other brokers received in an IDX feed with listings available from other MLS IDX feeds, provided all such displays are consistent with the IDX rules, and the MLS participant (or MLS subscriber) holds participatory rights in those MLSs. As used in this policy, "co-mingling" means that consumers are able to execute a single property search of multiple IDX data feeds resulting in the display of IDX information from each of the MLSs on a single search results page; and that participants may display listings from each IDX feed on a single webpage or display. *(Adopted 11/14)*

Section 18.3.15

Participants must maintain an audit trail of consumer activity on their website and make that information available to the MLS if the MLS believes the IDX site has caused or permitted a breach in the security of the data or a violation of MLS rules related to use by consumers. *(Amended 05/12)*

Section 18.3.16

Advertising (including co-branding) on pages displaying IDX-provided listings is prohibited.

Section 18.4 Service Fees and Charges

Section 19

Virtual Office Websites (VOWs)

Section 19.1 VOW Defined

- a. A “Virtual Office Website” (VOW) is a participant’s Internet website, or a feature of a participant’s website, through which the participant is capable of providing real estate brokerage services to consumers with whom the participant has first established a broker-consumer relationship (as defined by state law) where the consumer has the opportunity to search MLS listing information, subject to the participant’s oversight, supervision, and accountability. A non-principal broker or sales licensee affiliated with a participant may, with his or her participant’s consent, operate a VOW. Any VOW of a non-principal broker or sales licensee is subject to the participant’s oversight, supervision, and accountability.
- b. As used in Section 19 of these rules, the term “participant” includes a participant’s affiliated non-principal brokers and sales licensees—except when the term is used in the phrases “participant’s consent” and “participant’s oversight, supervision, and accountability”. References to “VOW” and “VOWs” include all Virtual Office Websites, whether operated by a participant, by a non-principal broker or sales licensee, or by an “Affiliated VOW Partner” (AVP) on behalf of a participant.
- c. “Affiliated VOW Partner” (AVP) refers to an entity or person designated by a participant to operate a VOW on behalf of the participant, subject to the participant’s supervision, accountability, and compliance with the VOW policy. No AVP has independent participation rights in the MLS by virtue of its right to receive information on behalf of a participant. No AVP has the right to use MLS listing information, except in connection with operation of a VOW on behalf of one or more participants. Access by an AVP to MLS listing information is derivative of the rights of the participant on whose behalf the AVP operates a VOW.

- d. As used in Section 19 of these rules, the term “MLS listing information” refers to active listing information and sold data provided by participants to the MLS and aggregated and distributed by the MLS to participants.

Section 19.2

- a. The right of a participant’s VOW to display MLS listing information is limited to that supplied by the MLS(s) in which the participant has participatory rights. However, a participant with offices participating in different MLSs may operate a master website with links to the VOWs of the other offices.
- b. Subject to the provisions of the VOW policy and these rules, a participant’s VOW, including any VOW operated on behalf of a participant by an AVP, may provide other features, information, or functions, e.g., “Internet Data Exchange” (IDX).
- c. Except as otherwise provided in the VOW policy or in these rules, a participant need not obtain separate permission from other MLS participants whose listings will be displayed on the participant’s VOW.

Section 19.3

- a. Before permitting any consumer to search for or retrieve any MLS listing information on his or her VOW, the participant must take each of the following steps.
 - i. The participant must first establish with that consumer a lawful broker-consumer relationship (as defined by state law), including completion of all actions required by state law in connection with providing real estate brokerage services to clients and customers (hereinafter, “Registrants”). Such actions shall include, but are not limited to, satisfying all applicable agency, non-agency, and other disclosure obligations, and execution of any required agreements.
 - ii. The participant must obtain the name of and a valid e-mail address for each Registrant. The participant must send an e-mail to the address provided by the Registrant confirming that the Registrant has agreed to the terms of use (described in Subsection d., below). The participant must verify that the e-mail address provided by the Registrant is valid and that the Registrant has agreed to the terms of use.
 - iii. The participant must require each Registrant to have a user name and a password, the combination of which is different from those of all other Registrants on the VOW. The participant may, at his or her option, supply the user name and password or may allow the Registrant to establish its user name and password. The participant must also assure that any e-mail address is associated with only one user name and password.
- b. The participant must assure that each Registrant’s password expires on a date certain, but may provide for renewal of the password. The participant must at all times maintain a record of the name, e-mail address, user name, and current password of each Registrant. The participant must keep such records for not less than one hundred eighty (180) days after the expiration of the validity of the Registrant’s password.
- c. If the MLS has reason to believe that a participant’s VOW has caused or permitted a breach in the security of MLS listing information or a violation of MLS rules, the participant shall, upon request of the MLS, provide the name, e-mail address, user name, and current password, of any Registrant suspected of involvement in the breach or violation. The participant shall also, if requested by the MLS, provide an audit trail of activity by any such Registrant.

- d. The participant shall require each Registrant to review and affirmatively to express agreement (by mouse click or otherwise) to a terms of use provision that provides at least the following:
 - i. that the Registrant acknowledges entering into a lawful consumer-broker relationship with the participant
 - ii. that all information obtained by the Registrant from the VOW is intended only for the Registrant's personal, non-commercial use
 - iii. that the Registrant has a bona fide interest in the purchase, sale, or lease of real estate of the type being offered through the VOW
 - iv. that the Registrant will not copy, redistribute, or retransmit any of the information provided, except in connection with the Registrant's consideration of the purchase or sale of an individual property
 - v. that the Registrant acknowledges the MLS' ownership of and the validity of the MLS' copyright in the MLS database
- e. The terms of use agreement may not impose a financial obligation on the Registrant or create any representation agreement between the Registrant and the participant. Any agreement entered into at any time between the participant and Registrant imposing a financial obligation on the Registrant or creating representation of the Registrant by the participant must be established separately from the terms of use, must be prominently labeled as such, and may not be accepted solely by mouse click.
- f. The terms of use agreement shall also expressly authorize the MLS and other MLS participants or their duly authorized representatives to access the VOW for the purposes of verifying compliance with MLS rules and monitoring display of participants' listings by the VOW. The agreement may also include such other provisions as may be agreed to between the participant and the Registrant.

Section 19.4

A participant's VOW must prominently display an e-mail address, telephone number, or specific identification of another mode of communication (e.g., live chat) by which a consumer can contact the participant to ask questions or get more information about any property displayed on the VOW. The participant or a non-principal broker or sales licensee licensed with the participant must be willing and able to respond knowledgeably to inquiries from Registrants about properties within the market area served by that participant and displayed on the VOW.

Section 19.5

A participant's VOW must employ reasonable efforts to monitor for and prevent misappropriation, scraping, and other unauthorized uses of MLS listing information. A participant's VOW shall utilize appropriate security protection such as firewalls as long as this requirement does not impose security obligations greater than those employed concurrently by the MLS.

Note: MLSs may adopt rules requiring Participants to employ specific security measures, provided that any security measure required does not impose obligations greater than those employed by the MLS.

Section 19.6

- a. A participant's VOW shall not display the listings or property addresses of any seller who has affirmatively directed the listing broker to withhold the seller's listing or property address from display on the Internet. The listing broker shall communicate to the MLS that the seller has elected not to permit display of the listing or property address on the Internet. Notwithstanding the foregoing, a participant who operates a VOW may provide to consumers via other delivery mechanisms, such as e-mail, fax, or otherwise, the listings of sellers who have determined not to have the listing for their property displayed on the Internet.
- b. A participant who lists a property for a seller who has elected not to have the property listing or the property address displayed on the Internet shall cause the seller to execute a document that includes the following (or a substantially similar) provision.

Seller Opt-out Form

1. Check one.
 - a. I have advised my broker or sales agent that I do not want the listed property to be displayed on the Internet.
 - b. I have advised my broker or sales agent that I do not want the address of the listed property to be displayed on the Internet.
2. I understand and acknowledge that if I have selected Option a., consumers who conduct searches for listings on the Internet will not see information about the listed property in response to their searches.

- c. The participant shall retain such forms for at least one (1) year from the date they are signed or one (1) year from the date the listing goes off the market, whichever is greater.

Section 19.7

- a. Subject to Subsection b., below, a participant's VOW may allow third-parties:
 - i. to write comments or reviews about particular listings or display a hyperlink to such comments or reviews in immediate conjunction with particular listings, or
 - ii. to display an automated estimate of the market value of the listing (or hyperlink to such estimate) in immediate conjunction with the listing.
- b. Notwithstanding the foregoing, at the request of a seller, the participant shall disable or discontinue either or both of those features described in Subsection a. as to any listing of the seller. The listing broker or agent shall communicate to the MLS that the seller has elected to have one or both of these features disabled or discontinued on all participants' websites. Subject to the foregoing and to Section 19.8, a participant's VOW may communicate the participant's professional judgment concerning any listing. A participant's VOW may notify its customers that a particular feature has been disabled at the request of the seller.

Section 19.8

A participant's VOW shall maintain a means (e.g., e-mail address, telephone number) to receive comments from the listing broker about the accuracy of any information that is added by or on behalf of the participant beyond that supplied by the MLS and that relates to a specific property displayed on the VOW. The participant shall correct or remove any false information relating to a specific property within forty-eight (48) hours following receipt of a communication from the listing broker explaining why the data or information is false. The participant shall not, however, be obligated to correct or remove any data or information that simply reflects good faith opinion, advice, or professional judgment.

Section 19.9

A participant shall cause the MLS listing information available on its VOW to be refreshed at least once every three (3) days.

Section 19.10

Except as provided in these rules, in the National Association of REALTORS® VOW policy, or in any other applicable MLS rules or policies, no participant shall distribute, provide, or make accessible any portion of the MLS listing information to any person or entity.

Section 19.11

A participant's VOW must display the participant's privacy policy informing Registrants of all of the ways in which information that they provide may be used.

Section 19.12

A participant's VOW may exclude listings from display based only on objective criteria, including, but not limited to, factors such as geography, list price, type of property.

Section 19.13

A participant who intends to operate a VOW to display MLS listing information must notify the MLS of its intention to establish a VOW and must make the VOW readily accessible to the MLS and to all MLS participants for purposes of verifying compliance with these rules, the VOW policy, and any other applicable MLS rules or policies.

Section 19.14

A participant may operate more than one VOW himself or herself or through an AVP. A participant who operates his or her own VOW may contract with an AVP to have the AVP operate other VOWs on his or her behalf. However, any VOW operated on behalf of a participant by an AVP is subject to the supervision and accountability of the participant.

Note: Adoption of Sections 19.15 through 19.19 is at the discretion of the MLS. However, if any of the following sections are adopted, an equivalent requirement must be imposed on participants' use of MLS listing information in providing brokerage service through all other delivery mechanisms.

Section 19.15

A participant's VOW may not make available for search by or display to Registrants any of the following information:

- a. expired and cancelled listings

Note: Due to the 2015 changes in IDX policy and the requirement that participants be permitted to make MLS listing information available to Registrants of VOW sites where such information may be made available via other delivery mechanisms, MLSs can no longer prohibit the display of pending (“under contract”) listings on VOW sites.

- b. the compensation offered to other MLS participants
- c. the type of listing agreement, i.e., exclusive right-to-sell or exclusive agency
- d. the seller’s and occupant’s name(s), phone number(s), or e-mail address(es)
- e. instructions or remarks intended for cooperating brokers only, such as those regarding showings or security of listed property

Section 19.16

A participant shall not change the content of any MLS listing information that is displayed on a VOW from the content as it is provided in the MLS. The participant may, however, augment MLS listing information with additional information not otherwise prohibited by these rules or by other applicable MLS rules or policies, if the source of such other information is clearly identified. This rule does not restrict the format of display of MLS listing information on VOWs or the display on VOWs of fewer than all the listings or fewer than all of the authorized information fields.

Section 19.17

A participant shall cause to be placed on his or her VOW a notice indicating that the MLS listing information displayed on the VOW is deemed reliable but is not guaranteed accurate by the MLS. A participant’s VOW may include other appropriate disclaimers necessary to protect the participant and/or the MLS from liability.

Section 19.18

A participant shall cause any listing that is displayed on his or her VOW to identify the name of the listing firm, the listing broker or agent, and the email or phone number provided by the listing participant in a readily visible color, in a reasonably prominent location, and in typeface not smaller than the median typeface used in the display of listing data. (Amended 03/22)

Section 19.19

A participant shall limit the number of listings that a Registrant may view, retrieve, or download to not more than 500 current listings and not more than 500 sold listings in response to any inquiry.

Note: The number of listings that may be viewed, retrieved, or downloaded should be specified by the MLS in the context of this rule, but may not be fewer than five hundred (500) listings or fifty percent (50%) of the listings in the MLS, whichever is less. (Amended 11/17)

Note: Adoption of Sections 19.20 through 19.25 is at the discretion of the MLS. It is not required that equivalent requirements be established related to other delivery mechanisms.

Section 19.20

A participant shall require that Registrants’ passwords be reconfirmed or changed every 90 days.

Note: The number of days passwords remain valid before being changed or reconfirmed must be specified by the MLS in the context of this rule and cannot be shorter than ninety (90) days. Participants may, at their option, require Registrants to reconfirm or change passwords more frequently.

Section 19.21

A participant may display advertising and the identification of other entities (“co-branding”) on any VOW the participant operates or that is operated on his or her behalf. However, a participant may not display on any such VOW deceptive or misleading advertising or co-branding. For purposes of this section, co-branding will be presumed not to be deceptive or misleading if the participant’s logo and contact information (or that of at least one participant, in the case of a VOW established and operated on behalf of more than one participant) is displayed in immediate conjunction with that of every other party, and the logo and contact information of all participants displayed on the VOW is as large as the logo of the AVP and larger than that of any third party.

Section 19.22

A participant shall cause any listing displayed on his or her VOW obtained from other sources, including from another MLS or from a broker not participating in the MLS, to identify the source of the listing.

Section 19.23

A participant shall cause any listing displayed on his or her VOW obtained from other sources, including from another MLS or from a broker not participating in the MLS, to be searched separately from listings in the MLS.

Section 19.24

Participants and the AVPs operating VOWs on their behalf must execute the license agreement required by the MLS.

Section 19.25

Where a seller affirmatively directs his or her listing broker to withhold either the seller’s listing or the address of the seller’s listing from display on the Internet, a copy of the seller’s affirmative direction shall be provided to the MLS within forty-eight (48) hours.
